

## **EXHIBITOR INFORMATION**

This is the fifth Bath Art Fair organised by Somerset artist Alce Harfield. With over 30 years' experience in selling art including two shops in Bristol and Bath and 15 years' exhibiting as an artist at art fairs across the country, you're in good hands!

From small beginnings in a marquee in a field to a city centre location, The Bath Art Fair has grown in reputation to be one of the best art fairs in the South West.

Last year saw record sales of £108,306 (over £1,000 on average per stand with many artists taking over £8,000 during the weekend) and many artists receiving great after-sales and gallery interest.

We pride ourselves on being an inclusive fair, encouraging the next generation of emerging artists who exhibit side by side with artists with many years' exhibiting experience.

In 2018, 2019 and 2020 we were shortlisted for a prestigious Bath Life Award in the 'Arts' section and WON a Creative Bath Award, with the judges commenting:

"Surely this is the future of selling art. This project took a gamble which has paid off, making art accessible through an impressive business model."

(We have also been short-listed for a Creative Bath Award in 2020.)

## **COVID-19 and other issues**

The outbreak of COVID-19 has put all events on hold. We are well aware that restrictions are changing daily but we always look on the positive side, so we are planning our show with these in mind.

HOWEVER, in the event that we are unable to put on the kind of show we have had in the past, we will be looking to reschedule to a weekend later in 2021.

We all need to be flexible in these uncertain times and our main priority is to look after the stars of the show....YOU!

## **The VENUE and PARKING**

The Bath Pavilion, a well-known beautiful space with great natural light, large windows and high ceilings with parking nearby, has been carefully chosen. It has space for unloading and loading which will be done on a rota basis.

For our customers there is a multi-storey car park next door with a maximum stay of 4 hours. There are also 2 very large open-air car parks within 15 minutes walking distance, numerous multi-storey car parks and 3 'park and rides' into the city.

## **NEW FOR 2021**

WE have introduced a three tiered pricing scheme for our stands in 2021. This is to reflect the position of each stand in the show and the height of the stand (2.75m in main hall, 2.4m in foyer.)

### **Foyer stands**

These stands will remain at our 2020 prices to reflect their position in the show and also the fact that these stands are shorter than our main hall stands

### **Main Hall Stands**

There has been a small price increase of £10 per linear meter on these stands to reflect our increased running costs

### **Stage Area Stands**

These have been reduced by £10 per linear meter to reflect their position in the show. Some of the stand dimensions have changed to allow better access and viewing.

### **STANDS (SEE LAYOUT)**

There will be a maximum of 85 stands with wide walkways between to create a relaxed atmosphere.

All stands will be constructed from wood, painted white and 5mm hollow ply

2.4m tall in the foyer area

2.75m tall in the main hall and stage area

(Please see STAND SIZES AND PRICES).

It is recommended that screws or mirror plates are used to hang artworks.

Each stand will have a fascia board showing artist's name and stand number.

Please note that the stand sizes noted are subject to slight variation (up to 15cm) due to the shell scheme construction. E.g. a 1m painting will not fit onto a 1m panel.

### **LIGHTING**

All adjustable lighting is INCLUDED in the price of the stand including return walls (please see STAND SIZES AND PRICES for number of lights included per stand).

There is also ambient lighting within all areas. Should you wish to order extra lights or a plug socket please use the BOOKING FORM.

(Additional light £40 plug socket £60)

You are NOT permitted to bring your own lights WITHOUT PRIOR ARRANGEMENT and all appliances e.g. laptops must have an up to date PAT certificate. Any that do not will NOT be allowed to be used during the Fair.

You will be able to order extra lights and sockets during setup (additional light £60 plug socket £80).

## WHAT WE ASK OF YOU

Bring whatever you'd like to sell but bear in mind cards and low-value prints take away from your more expensive items (so we would recommend you don't have them on your stand).

All work must be suitably presented (no clip frames, no un-mounted or un-bagged prints), clearly and professionally priced.

You are welcome to share a stand but we will need a booking form from each artist with clear indication that you are sharing.

You are responsible for insuring all your own artwork and fixtures and fittings. (see TERMS AND CONDITIONS)

The Bath Art Fair requires that all exhibitors hold Public Liability Insurance to the value of £5m and evidence of this must be sent with your BOOKING FORM. Without this you will not be able to trade.

Feel free to post new work and newsworthy stories to your heart's content on all our social media platforms AND TAG #bathartfair (even if you don't live in the area your customers might have friends and relatives who do!).

This kind of publicity is very visual, engaging and FREE! Use it!

An art fair's success relies on your input. The best person to promote your involvement IS YOU!

You are the stars!

## Our GREEN policy

The Bath Art Fair is passionate about reducing the waste produced from art fairs and is the only one in the country which is working towards a zero waste policy. All complimentary wrapping will use paper eco bubble wrap and tape (where appropriate).

Plastic lanyards are re-used each year, as is much of our signage and other consumables. We provide ample recycling stations throughout the Fair and we would love our artists and visitors to be mindful when using these.

Last year 79% of our waste was able to be recycled. We aim to make this figure 95% in 2021.

## CHARITY STAND

Again this year we will be having a charity stand to support the invaluable work of Bath's Holburne Museum's 'PATHWAYS TO WELLNESS' programme, a very local charity which supports the homeless and those with mental health issues in the Bath community through art therapy

We will be inviting donations of 'pre-loved art' as we all have art we can no longer fit on our walls.

This can be anything you have at home and not necessarily something you have produced.

Please ensure that it is clean and not damaged, 2d or 3d work all welcomed.

You can of course donate one of your own works and each piece will be individually priced but we would rather any potential customers spent their money with you on your stand.

Our staff will price the items to sell and it is preferred that anything donated can be priced around the £80 mark or lower.

## ADDITIONAL INFORMATION

Unfortunately we cannot provide credit card facilities, but there are many inexpensive options for taking card payments, e.g. PayPal, iZettle etc... So please arrange your own facilities. There are numerous cashpoints within a short walk from the venue. (In the event that your own card taking facilities fail we will take a payment for you but will have to charge a fee of 5%.)

Although there is Wi-Fi at The Bath Pavilion we are in the middle of a built up area so coverage may be patchy at busy times.

There will be NO commission taken and you are FREE to charge what you like for your work!

Chairs and tables... if you need to sit down for health reasons please bring your own chair.

There will be a couple of trolleys and ladders for your use during setup and over the weekend.

## HOTELS and REFRESHMENTS

There is a café and licensed bar on site

There is a plethora of hotels from budget to the more luxury (and expensive!), however The Travelodge (Bath Waterside) is a beautiful 5 minute walk along the canal and can provide very reasonable 24-hour parking.
